TASK FORCE

Building Hope

Archdiocese of Dublin

Archbishop Dermot Farrell has established a Task Force to support parishes to undertake a radical renewal, looking to the future with creativity, and to enable the Archdiocese of Dublin to act now so as to be able to give effective witness in the future.

The Archbishop has initiated a conversation aimed at stimulating engagement across the whole Archdiocese and has invited the Task Force to engage with parish communities in order to take account of the needs and perspectives on the pastoral challenges ahead and also to encourage a process of reflection and discernment within parishes.

The Archbishop has asked us all to pray, to discuss the consultation with their families and to complete the online consultation by visiting the Dublin Diocesan Website www.dublindiocese.ie where you will also find a special video message from the Archbishop. The consultation form will remain available online until Sunday 18th July. It is hoped that the resources attached will support you to complete the consultation form.

The YouTube video message and the link to the consultation form are available on our Parish Website Homepage.
