I turn and expect to see you.
I wait for the hug that will never
come. I listen for your footsteps and
wonder why there are none.

I ask, why it had to be you.
You had so much to give,
you were a part of my life I needed,
I so wanted you to live.

Now I hold you close in a special way
and know I have let you go to a
place of endless light.

I cannot see you now,
but with Faith I understand,
That somehow loving thoughts
will find you,
my loved one, in that light.
