Parish Safeguarding Audit Completed

In recent weeks we carried out a Safeguarding Audit for our parish. Changes in Diocesan Safeguarding Policy (see notice near main door of the church and parish office) and national legal safeguarding requirements were taken in to consideration. (For example, the requirement for Garda vetting has now been restricted to those who, on behalf of the parish deal directly with children or vulnerable adults, so many volunteers no longer have to be Garda vetted). Our audit found that all diocesan and national legal requirements are being fully implemented and fulfilled. Garda vetting, and training and information sessions when available, are ongoing for the small number of parish staff and volunteers for whom these are a requirement. We wish to thank all our staff and volunteers who, by being vigilant, continue to make our parish, our church and the services we provide safe for everyone who wishes to avail of them.
