Dear Grainne

A new resource for all Pastoral Councils is about to be launched!

We would like to invite you to a workshop just for Presidents and Chairs of PPCs to learn more about this important resource and how it impacts on your role in the Council.

The workshop is taking place on **Monday 18th May from 7.15pm - 9.15pm in St Paul's, Arran Quay**. Poster attached and available [here](#).

It will be an opportunity to explore the resource and to share together as we strive to support and grow the ministry of Pastoral Councils in the diocese.

Training for PPCs will then follow later in the 5 Pastoral Areas of the Diocese.

**To register your attendance, please email [angela.mcgarra@dublindiocese.ie](mailto:angela.mcgarra@dublindiocese.ie).**

With best wishes
